

# INTRODUCING THE NEUMANN GRUPPE USA AND GRAINPRO COLLABORATION

You can now send your used GrainPro Bags to our new collection partner.

## HERE'S HOW YOU DO IT:

- 1 Empty your GrainPro bag and remove any remaining coffee beans, residue or other external elements.

### OTHER LINERS THAT WE ACCEPT:

GrainPro TranSafeliner

Generic Brands

- 2 Fold (or stuff) your used GrainPro bags into your preferred box (or in a GrainPro bag).

We will send important information such as volume recommendation, instructions and basic guidelines so that your bags can be accepted without any problem.

- 3 Mail the used GrainPro bags to Continental Terminals via FedEx, USPS, DHL, or whichever service you prefer.

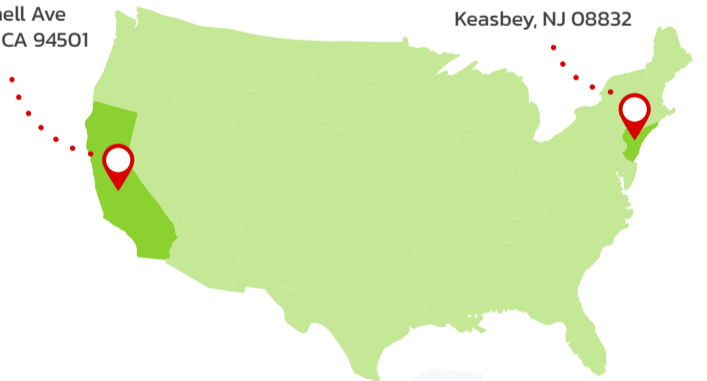

- 4 \*Soon we'll be collecting used GrainPro bags in Europe as well.

Once the collected plastics arrive at our warehouse, they will continue their journey to a recycling facility.
